PROFILE

Recent graduate of the School of Interactive Arts & Technology program at Simon Fraser University, looking to expand his knowledge of, and experience with, interaction design methods and new media development.

EDUCATION

Simon Fraser Univ.

<http://www.siat.sfu.ca>

School of Interactive Arts and Technology (SIAT)

September 2003 - December 2008

Cumulative Grade Point Average: 3.89 / 4.33

Majored in the Interaction Design and New Media Environments streams of the SIAT Program.

ItaliaDesign

<http://www.sfu.ca/italiadesign>

ItaliaDesign Field School 2008

Course: January - December 2008 // Trip: May - July 2008

Year-long study of Italian design, through in-field ethnography, interviews and documentation. Four months of researching, two months of in-field work, and another four months of compiling our findings.

WORK EXPERIENCE

Simon Fraser Univ.

<http://www.sfu.ca/cs>

Continuing Studies Program, Marketing Communications

July 2007 - January 2009

Worked as part of the Marketing Communications design and production team to provide high-quality print and web design services for Continuing Studies.

Designed a large variety of marketing pieces, including websites, brochures, flyers, newspaper advertisements and campaigns.

Developed CMS-driven websites, using Wordpress and Drupal.

HSBC Bank Canada

<http://www.hsbc.ca>

Communications Coordinator

May 2006 - May 2007

Maintained the company intranet site using HTML, CSS, and JavaScript.

Designed brand identity concepts for HSBC's new "Software House" group.

Developed an internal Web Portal, working closely with the HSBC HUB Hong Kong office and the HSBC User-Centered Design team.

WORK EXPERIENCE CONTINUED

Simon Fraser Univ.

<http://www.sfu.ca>

Technology Learning Series Mentor

January - April 2006

Presented lessons about various media software to undergrad students.

Taught the fundamentals of Photoshop, Premiere, Audition, Flash, Dreamweaver, and basic web development languages.

Further assisted students by offering tutorials after class.

D3 Security Systems

<http://www.d3security.com>

Graphic Designer

September - December 2005

Maintained D3's corporate website through frequent site updates.

Developed various marketing materials to promote D3's line of software products.

Handled a high volume of work, coming from both the programming team and the marketing team, on a regular basis.
